65 and can receive such care while living at home.

66 (2) (a) There is created the Coordinated Care Services for Children with Disabilities
67 Grant Program to award one or more grants for implementation of a statewide program to
68 provide qualified enrollees with coordinated care services with the goal of enabling an
69 individual to live at home and not be placed in an institutional setting.

70 (b) The number of program participants shall be capped based on funds appropriated.

71 (c) The department shall operate the Coordinated Care Services for Children with
72 Disabilities Grant Program without federal funds under Title XIX or Title XXI of the Social
73 Security Act.

86 disabilities or complex medical needs;

87 (e) services and therapies currently not accessible through an existing home and

community-based services waiver that may benefit qualified enrollees; and

(f) satisfaction of qualified enrollees and their family members with the program.

(4) (a) A political subdivision, institution of higher education, or not-for-profit organization may submit a proposal to the department for a grant to implement a program.

(i) describe the anticipated short-term and long-term benefits of providing coordinated care services to qualified enrollees;

(ii) provide details regarding:

(iv) for whom the department has determined that providing care at home would cost no more than it would cost to provide that care in a hospital, nursing facility, or intermediate care facility.

(2) Before July 1, 2025, the department shall apply with CMS for a Medicaid waiver to provide coordinated care services to qualified enrollees who live at home.
